

# Admission Eligibility Criteria for B.Voc in Artificial Intelligence and Machine Learning

## 1. Educational Qualification:

- Candidate must have passed 10+2 (Higher Secondary or equivalent) examination from a recognized board in any stream — Science, Commerce, Arts, or Vocational.
- Candidates with 2-year ITI certificate after 10th standard are also eligible.

## 2. Minimum Marks:

- General category candidates should have at least 50% aggregate marks in 10+2.
- Reserved category candidates (SC/ST/OBC/PwD) are eligible with a minimum of 45% aggregate marks.

## 3. Age Limit:

- No upper age limit for admission.

## 4. Additional Criteria (If applicable):

- Some institutes may require candidates to clear an entrance exam or interview for final admission.
- Candidates must meet any additional guidelines issued by affiliating university or government bodies.

## 5. Reservation:

- Reservation as per applicable government rules (SC 15%, ST 7.5%, OBC 27%, PwD 3%).
- Valid certificates must be submitted for claiming reservations.
